Insurance company profits soar, but millions don't have health care or real protection against accident and disaster. While insurance companies pour money into "tort reform" schemes to deprive ordinary people of legal assistance, they spend billions on their own lawyers to evade paying claims. The bipartisan "reforms" of workers' compensation let insurance companies endlessly delay needed medical treatment for injured workers by second-guessing doctors and pharmacists. They make more in profits on workers' compensation than they pay for medical care. I advocate putting human need before insurance company profits. Let's publicly fund and manage *a single system of quality health care for all, a state basic auto liability plan, and a single workers' compensation fund*—all without insurance company profits, lawyers, or red tape. I will fight discrimination based on race, sex, age, or geography.
